Sample letter

Thank you for booking a Nutrition Consultation on

I am looking forward to working with you to improve your health and enjoyment of life.

All of the information you should need to prepare for your consultation is enclosed, comprising:

- A Nutritional Questionnaire
- A Yeast Questionnaire
- My Clinic Information
- My Nutritional Services and Price List
- A description of my current work and experience
- A map and directions

You need to complete the Nutrition and Yeast Questionnaire and bring this with you to the consultation. This will give the initial information needed to analyse your nutrient deficiencies and body system imbalances as well as describe your health concerns and current diet.

The initial consultation lasts an hour and you will receive the following:

- A mineral taste test
- An analysis of your current health
- An action plan tailored around your lifestyle and health needs
- A dietary food programme
- A supplement plan
- A suggested future testing procedure

In addition one 10 minute follow-up phone call will be booked at your consultation. This is designed to give you support as you get started on your programme and is free of charge.

Depending upon your condition, laboratory tests may be recommend such as hair mineral analysis, blood and saliva tests. These will only be carried out by agreement and if required will be charged in addition at the rates stated on the attached price list.

Full payment for services rendered must be made by cheque or credit/debit card at the time of your first appointment.

I hope that this information provides you with everything you need to know prior to your consultation and look forward to seeing you then.

Yours sincerely,

Diana Wright BSc Hons Dip ION BANT

CONTACT FOR MESSAGES

Orchard Clinic - 01494 726228

Islington Clinic - 0207 3548883

Office - 01494 722777

CANCELLATIONS

We do not charge for cancellations, however we would appreciate your consideration in this matter by giving us as much notice as possible.

Please telephone during office hours (not by email or answer phone message).

CHILDREN

Children must be accompanied by an adult if under 18. We advise that the initial appointment is parents only for appointments concerning children Under 7.

However children are welcome and catered for.

PARKING

Parking is available outside the clinic on a yellow line EXCEPT between 11-12noon. Please ensure you park away from a yellow line in those hours.

PUBLIC TRANSPORT

If you are coming by train to Amersham Station - turn right from the station, then first right past the station car park. Keep walking until you come to Orchard lane on your right (ignore the humped back bridge immediately on your right). Walk to the other end of the road and on your right is the Orchard clinic.
